The **Never Say Can't Foundation** was established in memory of Spenser Nelson, a talented Johnston High School baseball player with enormous passion for the game who passed away in 2012.

The **Never Say Can't Foundation's** primary goal is to further baseball and softball opportunities for youth in our community. Funds have been used for such things as expanding facilities for the Miracle League of Iowa.

The Johnston High School Baseball and Softball programs currently use two cages installed in the small gym at the Johnston Middle School. The huge success of both programs has caused the teams to outgrow their current accommodations. Working with the Johnston Community School district, The **Never Say Can't Foundation** has secured additional space in the Middle School. The expanded space allows room for more equipment.

**Fund Raising Goal**  
\$100,000+

**Current Balance:**  
\$80,000

***PLEASE  
help us  
REACH  
our goal  
this spring!***

***Stand behind a great cause for our local students.***

Funds will be used to:

- ✓ Purchase 4 additional cages and install them inside the existing Johnston Middle School. There will then be a total of 6 nets spread between the Small Gym and the Large Gym.
- ✓ Purchase protective flooring that can easily be rolled out when needed for Baseball or Softball practices.
- ✓ Purchase a HitTrax System. HitTrax is an innovative method of measuring real-time statistics and key performance metrics such as exit ball velocity, distance, pitch speed, and much more. This immediate feedback empowers skill development.
- ✓ Purchase portable mounds, screens, and video equipment.
